MISSION STATEMENT

Bringing God's transformational grace and truth to a world seeking sacred sexuality.

HISTORY

Transformation Ministries Alliance (TMA) was founded in August 2020 in Louisville, KY by Daniel Mingo. Seeing a void in the post-gay ministry arena, he was prompted to act on a leading from the Lord he'd received almost three years earlier. Daniel pulled together a board of directors, Admins for social media groups, hired an attorney who specializes in representing non-profit organizations, a brand and logo have been created, and Transformation Ministries Alliance was born.

CONVERSION THERAPY STATEMENT

Is 'conversion therapy' a method that Transformation Ministries Alliance employs?

Transformation Ministry Alliance ministries and counselors provide Biblically and therapeutically sound methods of care and compassion to those looking for help addressing the underlying influences of personally experienced unwanted same-sex attractions and their accompanying desires as well as those who experience gender identity confusion.

Transformation Ministries Alliance (TMA) or its members do not practice conversion therapy. This term was fabricated by those outside of Christian ministries in an effort to defame reputable ministries and counselors. Neither the TMA network nor its members utilize any coercive practices with those they serve. Instead, TMA and its members provide and support Biblical truth to those interested in pursuing the tenets of their own faith.

HUMAN SEXUALITY BELIEFS

- † We believe God created man and woman as separate and distinct beings, made in the Trinity's image as part of His original intended design. We acknowledge that our bodies belong to God, not ourselves.
- † We believe sexuality is not a right, but a gift from God that should be stewarded carefully for His glory and honor.
- † We believe Biblical expressions of sexuality are reserved for married couples; that is, *one man married to one woman for life*. Therefore, any other sexual expression is outside of God's will, and constitutes sin, whether the other person is of the same or opposite sex.
- † We believe homosexual practice falls outside of God's will and intent for Biblical human sexual expression.

- † We believe no one chooses same-sex attractions, just as no one chooses opposite-sex attractions. However, our God-given free will allows us to choose how we will steward that gift of sexual expression either to follow or reject His plan. We believe one way leads to life, the other to death.
- † We do not hold to a genetic link being a cause for homosexuality or transgender issues. Though scientific studies have been made, there has been no definitive proof of a gay gene or a genetic link. Therefore, we believe the claims “I was born gay,” and “I was born in the wrong body,” to be incongruent with biblical sacred sexuality.
- † We believe gender development, whether homosexual or heterosexual (or other variances), occurs as part of a child’s early developmental process, between healthy relating with one’s own gender, due to both adverse childhood experiences passed from generational modeling and parental influences, then further developing or further hindered in peer relationships.
- † We believe that sexual orientation change is possible, and that there are many kinds and degrees of change as one journeys towards Biblical sexual holiness. We believe that God transforms individuals through relationship with Him and in community with the body of Christ. We believe God gives every person that ability to submit their sexuality to His will, according to His created purpose for His image bearers.
- † We believe the goal for our sexuality should be biblical holiness whether married or single.
- † Transformation Ministries Alliance members do not seek to change a person’s attractions or orientation, and do not make promises that such will happen.
- † Finding biblical sacred sexuality is available to those who submit to God’s leading in His process of change, however He sees fit for each individual. Confessing sin; repentance; being open, transparent, honest, truthful, and accountable; healing of traumatic experiences and developmental wounds; finding your identity in Him; are all ways God will use to bring maturity to different areas of a believer’s life, including sexuality.

DOCTRINAL STATEMENT

- † We believe in the eternal and everlasting God, the Creator of all things, living and dead; who functions in the mystery of the Trinity: Father, Son, and Holy Spirit; Three in One and One in Three. We believe the Bible is the inerrant written Word of God, containing the Old Testament and New Testament books, set forth by humans inspired by the power of the Holy Spirit. We look to these Scriptures as the final authority for truth, doctrine, instruction and correction for godly living.
- † We believe mankind is created in the image of the Godhead: Father, Son, and Holy Spirit to live life in relationship with Them; to love, honor, serve, and worship Them for eternity. We believe sin entered into the world through man's disobedience to God, and that this sin separated all mankind from God eternally.
- † We believe God sent His only-begotten Son, Jesus, miraculously born of a virgin, to earth as the ultimate expression of His love for mankind, to be the blood sacrifice for all the sins of mankind, suffering torture and death, as payment for mankind's sins.
- † We believe that in life, Jesus was fully God and fully man, living a sinless existence, though tempted in every way as mankind is. We believe Jesus learned obedience through the things which He suffered, and He laid down His life to the point of death on a cross.
- † We believe God's power raised Jesus physically from the grave to ascend into heaven where He has taken His rightful place on His throne at the right hand of the Father for eternity, once and for all conquering Satan, sin, and death.
- † We believe we are declared guiltless, and that by accepting personally into our lives Jesus' work on the cross and His resurrection, we are saved and become born again spiritually, becoming adopted sons and daughters into the family of God by the power of the Holy Spirit.
- † We believe the Holy Spirit is active and indwells our lives. He leads and guides His sons and daughters in all Truth and does the work of transforming us as we live our lives in obedience to Him by His grace, the power to do His will.
- † We believe Jesus is Savior, Lord and King and that He will return again to the earth to judge the living and the dead. We believe the Church of Jesus Christ consists of all those who know Him as Savior and Lord, regardless of denominational beliefs. We believe those who have rejected Jesus and his offer of eternal salvation will condemn themselves to hell for eternity, and those who have accepted Jesus' offer of eternal salvation will spend eternity with Him as co-heirs of His eternal Kingdom.
